# IQM

WE BUILD QUANTUM COMPUTERS

TQCI - 11 mai 2023

IQM in a nutshell

Xavier Geoffret

Technical Sales Manager

www.meetiqm.com

IQM identity card

4 years

250+ employees

200+ M€ fundings since creation

5 locations

105+ PhDs

Portfolio of **70** patent families

600 m² private foundry

45 nationalities

Why is IQM different?

Full-stack integrator of quantum computer

Co-design to reach quantum advantage in NISQ era

Superconducting qubits is the most mature QC technology

Largest **team** of QC experts in Europe

Focus on accelerating **HPC** with quantum computing

Priority on qubit **quality** over quantity

IQM own **foundry**

On-premises systems

One of the largest quantum **IP** portfolio

Thanks!
